

Fountain Recovery Mission

Fountain Recovery provides treatment to those seeking help for their drug & alcohol problem; we encourage hope for a new life to begin.

Our client-centered approach to treatment provides a foundation for each client to achieve and maintain long-term recovery as the basis for a healthy and productive life. By recognizing each client's unique issues and challenges, treatment planning is individualized for each client.

Our staff is made up of experienced, compassionate and dedicated counselors. Fountain Recovery's unique approach to treatment offers real help, real encouragement and real hope for recovery.

- Just can't stop
- Isolating
- Sick and tired of feeling sick and tired
- Family problems
- Job in jeopardy
- Health problems
- DUI/Legal issues
- Losing interest in life
- Feeling trapped
- Not being the parent you could be
